

## **What is financial exclusion?**

Do you come into contact with people that have financial difficulties?

Do you know who helps locally with debt, money management and other financial issues?

Would knowing more about it help you in your work?

Then why not attend a FREE 2 hour workshop that helps you

- Gain a basic understanding of issues related to financial exclusion
  - Learn about priority and non priority debts
  - Understand what is meant by affordable and unaffordable credit
- Signpost to relevant local organisations for free money advice

For more details or to book on a course contact Judy Scott  
Financial Capability Worker
